

Table 5A-25. Results of 2003 bat roost surveys in Project facilities.

Survey Date	Project Facility Structure	Project Section	Bats Present	Evidence of Bat Use	Specific Results
Bat Surveys: 21 Potential Roost Locations June 9 and 13.					
06/09/03	Westside powerhouse	Link River			No evidence of bats.
06/09/03	Eastside surge tank	Link River			No evidence of bats.
06/09/03	Eastside powerhouse	Link River			No evidence of bats.
06/09/03	Westside gatehouse	Link River			No evidence of bats.
06/09/03	Keno control house	Keno reservoir			No evidence of bats.
06/09/03	J.C. Boyle forebay spillway house	J.C. Boyle bypass	X	X	30 Yuma myotis roosting in structure.
06/09/03	J.C. Boyle communications room	J.C. Boyle bypass			No evidence of bats.
06/09/03	J.C. Boyle pumphouse	J.C. Boyle bypass		X	Small amounts of guano.
06/09/03	M & K building	J.C. Boyle bypass			No evidence of bats.
06/09/03	J.C. Boyle powerhouse	J.C. Boyle bypass			No evidence of bats.
06/09/03	Red barn	J.C. Boyle reservoir		X	Large amount of guano under roof peak.
06/09/03	J.C. Boyle headgate	J.C. Boyle reservoir			No evidence of bats.
06/09/03	J.C. Boyle dam stillingwell house	J.C. Boyle reservoir			No evidence of bats.
06/09/03	J.C. Boyle shop/truck shed	J.C. Boyle reservoir			No evidence of bats.
06/09/03	J.C. Boyle fish ladder building	J.C. Boyle reservoir			No evidence of bats.
06/13/03	Copco No. 1 powerhouse (lower level)	Copco reservoir	X	X	4 Yuma myotis in transformer bays. Abundance of guano.
06/13/03	Copco No. 2 powerhouse (crane cover driver)	Copco reservoir	X	X	100 bats roosting in right driver assembly.
06/13/03	Copco No. 2 powerhouse (rafters)	Copco reservoir	X	X	10+ bats in rafters on both ends.
06/13/03	Copco dam No. 2 gatehouse	Copco reservoir	X	X	300+ bats in ceiling cracks.
06/13/03	Fall Creek powerhouse	Fall Creek		X	Small amount of guano in the service room.
06/13/03	Iron gate barn	Iron Gate reservoir		X	Abundance of guano (historical use?). Ultrasonic bat chaser appears effective.
06/13/03	Iron Gate powerhouse.	Iron Gate reservoir			No evidence of bats.
06/13/03	Iron Gate south gatehouse	Iron Gate reservoir	X	X	40 Yuma myotis observed in rafters. Abundance of guano.
06/13/03	Iron Gate north gatehouse	Iron Gate reservoir			No evidence of bats.
