Docket No. ER05-537-000

NOTICE OF EXTENSION OF TIME

(July 15, 2005)

On July 14, 2005, PacifiCorp (PacifiCorp) filed a motion for a further extension of time to file a compliance filing in accordance with Commission Order No. 614 and the letter order issued March 15, 2005, by the Director, Division of Tariffs and Market Development-West, in the above-docketed proceeding. The motion states that while PacifiCorp has continued to work with Bonneville Power Administration (Bonneville) to enter into an Amended and Restated AC Intertie Agreement, additional time is needed to allow Bonneville to complete its review of the amended agreement and for PacifiCorp to file its updated Rate Schedule No. 368, in compliance with the Director's letter order.

Upon consideration, notice is hereby given that a further extension of time to refile Rate Schedule No. 368 to comply with Order No. 614 and the March 15 letter order is granted to and including November 14, 2005, as requested by PacifiCorp.
