Docket No. ER05-554-001

**MOTION FOR REQUEST FOR DEFERRAL
OF COMMISSION ACTION BY PACIFICOP**

Pursuant to Rule 212 of the Rules of Practice and Procedure of the Federal Energy Regulatory Commission (“Commission”), 18 C.F.R. § 385.212 (2004), PacifiCorp respectfully submits this motion for a request for deferral of Commission action in the above referenced proceeding.

On February 4, 2005, PacifiCorp filed three late-filed small generator interconnection agreements and one transmission agreement (“February 4 Filing”). In particular, PacifiCorp filed: (1) a Generation Interconnection Agreement between PacifiCorp and Roseburg Forest Products, Inc. (“Roseburg”); (2) a Generation Interconnection Agreement between PacifiCorp and TDY Industries Inc., a California corporation d/b/a Wah Chang; (3) a Generation Interconnection Agreement between PacifiCorp and Warm Springs Power Enterprises (“Warm Springs”); and (4) a Transmission Service Agreement between PacifiCorp and Warm Springs Power Enterprises.

PacifiCorp requests that the Commission defer any action on its February 4 Filing at this time. PacifiCorp is in the process of amending both the Roseburg and Warm Springs interconnection agreements. PacifiCorp anticipates making an additional filing regarding these agreements within 60 days of the date of this filing. Deferral by the Commission at this time will prevent the waste of the Commission’s and the parties’ resources that would be occasioned by
