Docket No. ER05-554-001

MOTION FOR REQUEST FOR AN EXTENSION OF TIME

Pursuant to Rules 212 and 2008 of the Rules of Practice and Procedure of the Federal Energy Regulatory Commission (“Commission”), 18 C.F.R. §§ 385.212 & 385.2008 (2004), PacifiCorp hereby respectfully requests a 30-day extension of time to make a filing regarding two interconnection agreements in the above referenced proceeding.

I. BACKGROUND

On April 13, 2005, PacifiCorp filed a Motion for Request of Deferral of Commission Action (“April 13 Filing”). In the April 13 Filing, PacifiCorp explained that on February 4, 2005, it filed three late-filed small generator interconnection agreements and one transmission agreement (“February 4 Filing”). In particular, PacifiCorp filed: (1) a Generation Interconnection Agreement between PacifiCorp and Roseburg Forest Products, Inc. (“Roseburg”); (2) a Generation Interconnection Agreement between PacifiCorp and TDY Industries Inc., a California corporation d/b/a Wah Chang; (3) a Generation Interconnection Agreement between PacifiCorp and Warm Springs Power Enterprises (“Warm Springs”); and (4) a Transmission Service Agreement between PacifiCorp and Warm Springs Power Enterprises. In the April 13 Filing, PacifiCorp requested that the Commission defer any action on its February 4 Filing. PacifiCorp stated that it was in the process of amending both the Roseburg and Warm Springs interconnection agreements and that it anticipated making an additional filing regarding these agreements within 60 days of the date of the April 13 Filing.

CERTIFICATE OF SERVICE

I hereby certify that on this 13th day of June, 2005, I have caused a copy of the foregoing document to be served by first class mail on each person listed on the Secretary's official service list for this docket.
