

Queue #: \_\_\_\_\_ Customer: \_\_\_\_\_  
 Project: \_\_\_\_\_  
 Date of Application: \_\_\_\_\_

**Application Information Checklist:**

<b><u>Requirement</u></b>	<b><u>√</u></b>	<b><u>Date Info Provided</u></b>	<b><u>Comments</u></b>
<b>\$1,000 Application Deposit</b>			
<b><u>Signed Original Interconnection Application</u></b> – Appendix 2 to the small generating interconnection procedures.			
<b><u>Site Control</u></b> – Documentation reasonably demonstrating ownership, right to develop, option to purchase, leasehold or an exclusivity or business relationship between the applicant and the person/company owning the property that gives the applicant the right to construct a generating facility on the land. If Interconnection Customer owns the land, the most recent property tax receipt for the location would be an acceptable form of site control.			
<b><u>Operating State Laws</u></b> – Under which state does your company operated.			
<b><u>Affected Systems</u></b> – to be completed by PacifiCorp.			
<b><u>Qualifying Facility Attestation and Signature</u></b> – Form to be completed by customer, provides notice if the output of the generation facility will be sold to PacifiCorp.
