

# PacifiCorp - Stakeholder Feedback Form

## 2023 Integrated Resource Plan

PacifiCorp (the Company) requests that stakeholders provide feedback to the Company upon the conclusion of each public input meeting and/or stakeholder conference calls, as scheduled. PacifiCorp values the input of its active and engaged stakeholder group, and stakeholder feedback is critical to the IRP public input process. PacifiCorp requests that stakeholders provide comments using this form, which will allow the Company to more easily review and summarize comments by topic and to readily identify specific recommendations, if any, being provided. Information collected will be used to better inform issues included in the 2023 IRP, including, but not limited to the process, assumptions, and analysis. In order to maintain open communication and provide the broader Stakeholder community with useful information, the Company will generally post all appropriate feedback on the IRP website unless you request otherwise, below.

**\*IRP Topic(s) and/or Agenda Items:** List the specific topics that are being addressed in your comments.

General

Check here if you do **not** want your Stakeholder feedback and accompanying materials posted to the IRP website.

**\*Respondent Comment:** Please provide your feedback for each IRP topic listed above.

The Division requests that the changes it suggested in its list of comments submitted April 28, 2023 (a numbered list of ten comments) be made in the final draft of the IRP where possible (and not just in a response to stakeholder feedback). In general, the Division suggests that corrections and improvements suggested by stakeholders be included in the final IRP draft where appropriate (and not just in responses to stakeholder feedback), even when stakeholders do not specifically request this. The IRP submitted on April 1st was a draft, and improvements should be made to the final version where possible.

**Data Support:** If applicable, provide any documents, hyper-links, etc. in support of comments. (i.e. gas forecast is too high - this forecast from EIA is more appropriate). If electronic attachments are provided with your comments, please list those attachment names here.

**Recommendations:** Provide any additional recommendations if not included above - specificity is greatly appreciated.

Please submit your completed Stakeholder Feedback Form via email to [IRP@Pacifcorp.com](mailto:IRP@Pacifcorp.com)

Thank you for participating.

**PacifiCorp Response (6/8/23):**

The Amended 2023 IRP filing includes multiple incorporations of stakeholder feedback, including two additional sensitivities and clarifications of content. PacifiCorp incorporates stakeholder feedback throughout its public input series and welcomes this feedback. Responses to stakeholder feedback forms may or may not lead to actions undertaken in the IRP depending on timing, duplication of effort, and the breadth of interest expressed among stakeholders among other factors.
