Forward-Looking Statements

This report (including exhibits) contains statements that do not directly or exclusively relate to historical facts. These statements are "forward-looking statements" within the meaning of Section 27A of the Securities Act and Section 21E of the Exchange Act and include, but are not limited to, any statements relating to developments in the wildfire litigation, a matter that by its nature is very likely to change, is unpredictable and will continue to evolve over time, as well as the impact of such proceedings on PacifiCorp's operating results, cash flows, and liquidity. Forward looking statements can typically be identified by the use of forward-looking words, such as "will," "may," "could," "intend," "potential" and similar terms.
