Subject: Jim Bridger FGD Pond 1 CCR Initiation of Assessment of Corrective Action Measures Notification

Dear Mr Esch,

In accordance with 40 CFR 257.95(g) and as stated in the 2018 Annual Groundwater Monitoring and Corrective Action Report PacifiCorp has initiated an assessment of corrective measures for the coal combustion residual unit FGD Pond 1 at the Jim Bridger Power Plant in Point of Rocks, Wyoming as required by 40 CFR 257.96. The assessment of corrective measures will include and analysis of the effectiveness of potential corrective measures in meeting the requirements and objectives of the remedy as described in 40 CFR 257.96.

If you have any questions regarding the posting please contact Paul Fahlsing Engineering Manager at 307.352.4226.

Sincerely,

Rick Tripp
Managing Director, Jim Bridger Power Plant
