

CUTLER PROJECT PROPOSED STUDY PLAN STAKEHOLDER WORKSHOP

Date: October 8, 2019

Times: 1:00-4:00 p.m. and 5:00-7:30 p.m.
Two sessions will be held; the same information will be covered at each

Location: Riverwoods Conference Center
615 Riverwoods Parkway
Logan, Utah

Workshop Purpose:

- Review the FERC licensing process, PacifiCorp’s collaborative process, and where the two processes differ and converge
- Provide clarifications to FERC Scoping Document 2 (SD2) Tables 1 & 2
- Update on the proposed Oct 25 – Nov 18, 2019 reservoir drawdown
- Review proposed study plans
- Review June workshop and Scoping Document 1 comments incorporated into study plans
- Review study plan scope requiring further discussion.
