

The Federal Energy Regulatory Commission will attend and host a site visit to the Cutler Project on June 26, 2019, starting at 9 a.m. at the Cutler Marsh Marina recreation site. This is day 1 of 2 of FERC's visit to the Cutler Project and is an opportunity for stakeholders to ride along and attend the FERC site visit as noted in Scoping Document 1 (SD1). *Please note, the site visit is by chartered bus and will last all day. PacifiCorp will provide lunch, but you must RSVP to cutlerlicense@gmail.com if you would like to attend.*
