

Rocky Mountain Power, a division of PacifiCorp, continues its relicensing process for the Cutler Hydroelectric Project with a stakeholder workshop on Tuesday, June 25, 2019 at Riverwoods Conference Center, 615 Riverwoods Parkway, Logan, Utah. Two sessions are offered, one from 1-4:00 p.m., another from 5-7:30 p.m. The agenda is the same for both sessions. This workshop is open to the public and will provide participants with information about the Federal Energy Regulatory Commission scoping process and PacifiCorp's stakeholder engagement. It will also provide PacifiCorp with an opportunity to obtain initial input from license stakeholders on study plans. The stakeholder workshops are hosted by PacifiCorp.
