Visitor Survey Log Form

Site: _____ Date: _____ Time: _____ Researcher: _____

Weather: _____ Day of Week: _____

Group #	# Kids	# Adults					Survey #s
		Total	Asked	Agreed	Refused	Repeat	
Survey Numbers of windshield surveys distributed at site:							

Instructions:

1. Before distributing surveys, BE SURE THE “FOR RESEARCHER USE ONLY” BOX ON THE SURVEY FORM IS FILLED OUT.
2. Fill out one log form for each individual site
3. Each group gets its own record number.
4. Record the number of children (under age 16) in groups contacted.
5. Record the total number of adults in the group.
6. Record the number who agree to complete the survey, the number who refuse, and the number who have previously completed the survey. Anyone who does not do the survey who heard your intro should be considered a refusal (unless there are obvious extenuating circumstances, like in the middle of cooking or taking care of a kid or they have previously completed the survey).
7. IMPORTANT—Record the Survey Numbers of all windshield surveys left on vehicles.
8. Record any relevant comments on the back of this form, noting group # (e.g., about activity, comments, or unusual situations).
9. Clip this log form onto the corresponding completed visitor surveys from each site.
