

APPENDIX 6A

SITE-SPECIFIC BACKGROUND INFORMATION

Appendix 6A. Site-specific background information

- BLM 1996. Topsy/Pokegama landscape analysis. Bureau of Land Management; Klamath Falls Resource Area, Klamath Falls, Oregon. 250 pp.
- BLM. 2001. Environmental Assessment for a proposal to amend the Redding Resource Management Plan regarding the Horseshoe Ranch Wildlife Area. U.S. Dept. of Interior, BLM. Redding Field Office.
- BLM Website. Horseshoe Ranch Habitat Management Area. U.S. Dept. of Interior, BLM. Redding Field Office. <http://www.ca.blm.gov/redding/horseshoe.html>. Accessed 2-21-2003.
- BLM. 2002. Cascades-Siskiyou National Monument. Draft Resource Management Plan/ Environmental Impact Statement. USDI, Bureau of Land Management, Medford, Oregon.
- Boroski, B.B. 1998. Development and testing of a wildlife-habitat relationships model for Columbian black-tailed deer, Trinity County, California. Thesis, Ph.D. in Wildland Resource Science, University of California, Berkeley.
- Boroski, B.B. and A.S. Mossman. 1996. Distribution of mule deer in relation to water sources in northern California. *J. Wildl. Manage.* 60:770-776.
- Boroski, B.B., R.H. Barrett, I.C. Timossi, and J.G. Kie. 1996. Modelling habitat suitability for black-tailed deer (*Odocoileus hemionus columbianus*) in heterogeneous landscapes. *Forest Ecology and Management* 88:157-165.
- Bowyer, R.T., J.G. Kie, and V. Van Ballenberghe. 1998. Habitat selection by neonatal black-tailed deer: Climate, forage, or risk of predation? *Journal of Mammalogy* 79(2):415-425.
- California Department of Fish and Game. 1998. An assessment of mule and black-deer habitats and populations in California. Report to the Fish and Game Commission. California Department of Fish and Game. Wildlife Management Division, Sacramento, California.
- City of Klamath Falls. 1990. Application for license Salt Caves Hydroelectric Project, Project No. 10199. Response to license additional information requests dated December 27, 1989, Appendix A—final winter deer survey report 1985-1989. Submitted to the Federal Energy Regulatory Commission.
- Cross, S.P., H. Lauchstedt, and M. Blankenship. 1998. Numerical status of Townsend's big-eared bats at Salt Caves in the Klamath River Canyon and other selected sites in southern Oregon, 1997. Final Report. Southern Oregon University, Ashland.
- Fishpro. 2000. Fish passage conditions on the Upper Klamath River. Submitted to The Karuk Tribe and PacifiCorp. Fishpro, Port Orchard, Washington.

- Gutermuth, B., C. Watson, R. Weider, and J. Kelly. 1999. Link River Hydroelectric Project Eastside and Westside Powerhouses annual entrainment study report: March 1997 - July 1998. New Earth/Cell Tech and PacifiCorp Environmental Studies.
- Gutermuth, B., C. Watson, and J. Kelly. 2000. Link River Hydroelectric Project (Eastside and Westside Powerhouses) Final Entrainment Study Report March 1997-October 1999. Cell Tech: Research and Development, Klamath Falls, OR and PacifiCorp, Portland, OR. 127pp.
- Jackson, D.H. and R. Kilbane. 1996. Age structure, mortality, and movements of black-tailed deer in the south Cascade Mountains of Oregon. Annual progress report, July 1, 1995-June 30, 1996. ODFW Project No. W-90-R-2, Study No. 119000-01.
- Loft, E., J. Mentke, and T. Burton. 1984. Seasonal movements and summer habitats of female black-tailed deer. *Journal of Wildlife Management* 48(4):1317-1325.
- ODFW. 2002. Draft: Oregon's Mule Deer Plan II. Oregon Department of Fish and Wildlife, Portland, Oregon. 30 pp.
- ODFW. 2002a. Draft: Oregon's Elk Plan II. Oregon Department of Fish and Wildlife, Portland, Oregon. 52 pp.
- Redwood Sciences Laboratory. 1999. Preliminary results of landbird monitoring in the Klamath Basin Oregon and northern California. June 1999.
- Redwood Sciences Laboratory. 2000. Summary of 1999 bird monitoring in the upper Klamath Basin, Oregon. Unpublished Report. February 29, 2000.
- FERC (U.S. Federal Energy Regulatory Commission). 1990. Final environmental impact statement: Proposed Salt Caves hydroelectric project, Klamath County, Oregon, FERC 10199-000. FERC, Washington, D.C.
- Winthrop, K. 1999. Draft environmental history: Bear Creek and Klamath-Iron Gate watersheds. Bureau of Land Management, Medford District. Medford, Oregon.

Effects of Water Resource Facilities

- Baxter, G.M. 1977. Environmental effects of dams and impoundments. *Annual Review of Ecology and Systematics*. 8:255-283.
- Bellrose, F.C. and L.G. Brown. 1941. The effect of fluctuating water levels on the muskrat population of the Illinois River Valley. *J. Wildl. Manage.* 5:206-212.
- Busch, E.E., J.C. Rorabaugh, and K.R. Rautenstrauch. 1984. Deer entrapment in canals of the western United States: A review of the problem and attempted solutions. Paper presented at Deer in the Southwest: A workshop. April 16-17, 1984. New Mexico State University, Las Cruces, New Mexico.

- Collier, M., R.H. Webb, and J.C. Schmidt. 2000. Dams and rivers: A primer on the downstream effects of dams. USGS, Circular 1126, 94 pp.
