Landowner Agreements

Landowner agreements are required for restoration projects on land that the sponsor does not own. Provide PacifiCorp with a signed landowner agreement with your Lewis River Aquatic Fund Application.

The agreement is a document between the sponsor and the landowner that, at a minimum, allows access to the site by the sponsor and Lead Entity Organization staff for project implementation, inspection, maintenance, and monitoring; clearly states that the landowner will not intentionally compromise the integrity of the project; and clearly describes and assigns all project monitoring and maintenance responsibilities.

The landowner agreement remains in effect for a minimum of 10 years from the date of project completion. The date of project completion is the date indicated in the sponsor's fund application. It is the sponsor's responsibility to inform the landowner of this date.
