

2019 IRP DSM Technical Workshop

July 12, 2019

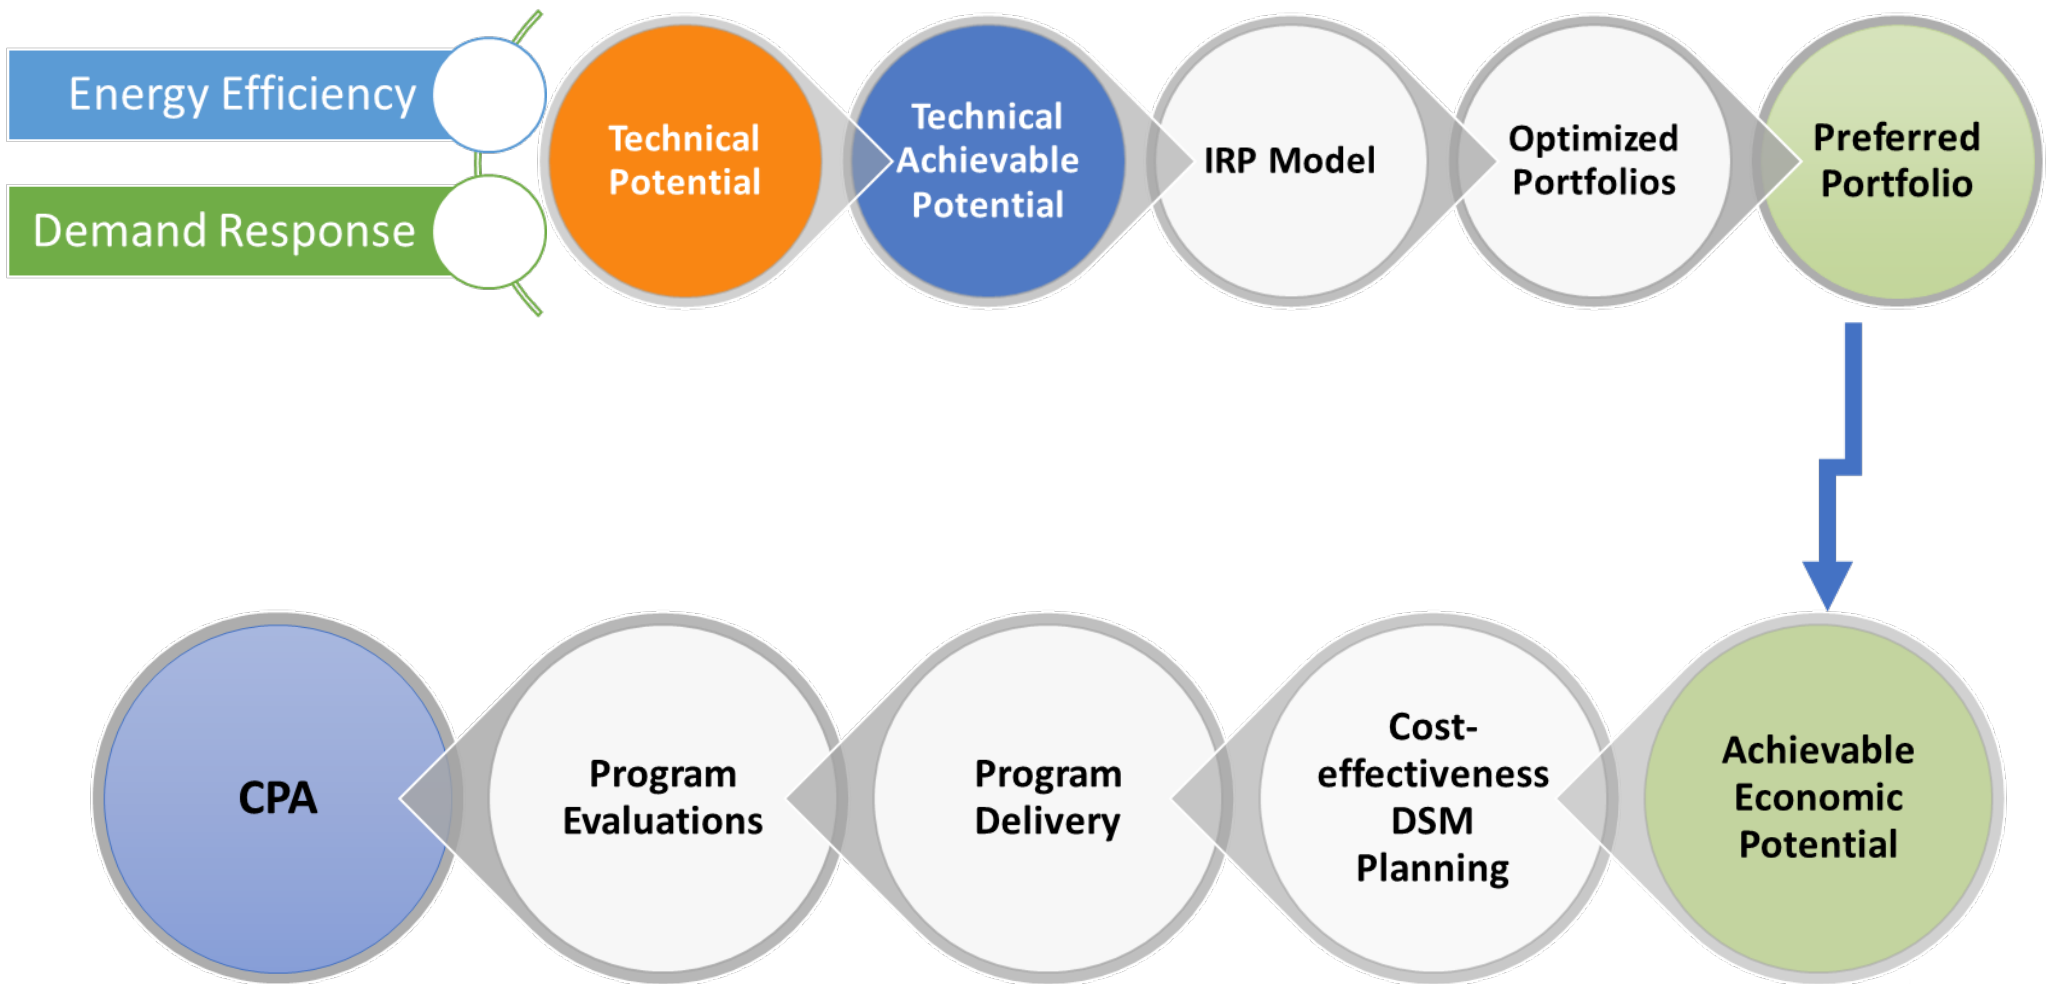

Overview

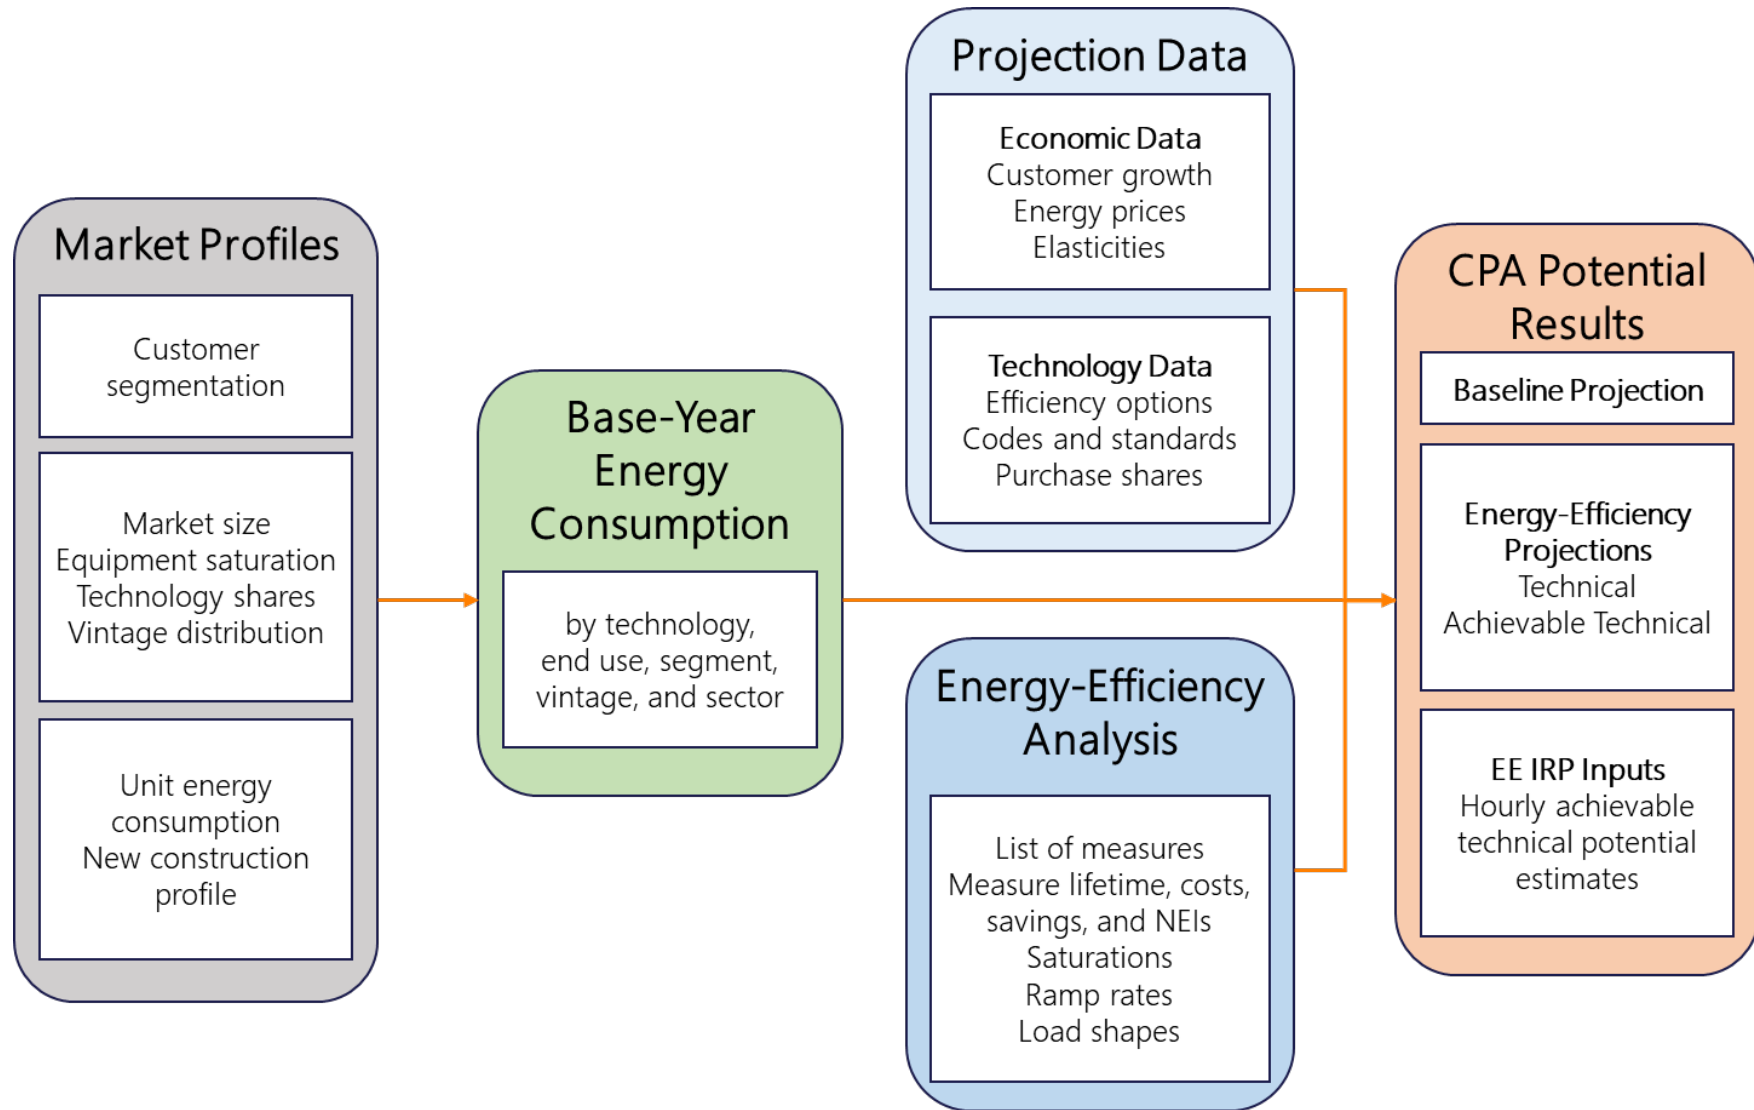

- Demand-Side Management and the Conservation Potential Assessment have been discussed at a number of public input meetings and two separate workshops.
- This conference call is offered to facilitate discussion and answer clarifying questions regarding the Conservation Potential Assessment.
- The Conservation Potential Assessment can be located at: pacificorp.com/es/irp/irpsupport.
- The following slides have been previously presented and are provided here for ease of reference.
