

# PacifiCorp - Stakeholder Feedback Form

## 2023 Integrated Resource Plan

PacifiCorp (the Company) requests that stakeholders provide feedback to the Company upon the conclusion of each public input meeting and/or stakeholder conference calls, as scheduled. PacifiCorp values the input of its active and engaged stakeholder group, and stakeholder feedback is critical to the IRP public input process. PacifiCorp requests that stakeholders provide comments using this form, which will allow the Company to more easily review and summarize comments by topic and to readily identify specific recommendations, if any, being provided. Information collected will be used to better inform issues included in the 2023 IRP, including, but not limited to the process, assumptions, and analysis. In order to maintain open communication and provide the broader Stakeholder community with useful information, the Company will generally post all appropriate feedback on the IRP website unless you request otherwise, below.

Date of Submittal 2022-06-07

\*Name: Joni Zenger

Title: \_\_\_\_\_

\*E-mail: jzenger@utah.gov

Phone: 8015306787

\*Organization: Utah Division of Public Utilities

Address: 160 E. 300 South, 4th Floor Heber M. Wells Bldg.

City: SLC State: \_\_\_\_\_ Zip: 84111

Public Meeting Date comments address: \_\_\_\_\_  Check here if not related to specific meeting

List additional organization attendees at cited meeting: \_\_\_\_\_

**\*IRP Topic(s) and/or Agenda Items:** List the specific topics that are being addressed in your comments.

(1) PacifiCorp's must provide the date of its response to each respective Stakeholder Feedback comment or question. (2) Online feedback form format

Check here if you do **not** want your Stakeholder feedback and accompanying materials posted to the IRP website.

**\*Respondent Comment:** Please provide your feedback for each IRP topic listed above.

(1) The Company must date its responses to Stakeholder Feedback forms or questions. It is insufficient for the Company to insert a comment or response on a Stakeholder Feedback form that is dated by the party who is submitting the feedback, comment, or question. The Company needs to provide a date on the form itself showing the date it inserts PacifiCorp's response for each of its respective comments. The Company can add the date of its response either at the beginning or the end of each of its respective responses, possibly in parenthesis. The Company needs to be accountable to stakeholders by providing the date of its responses on the form itself. (2) The Utah Division of Public Utilities will be submitting stakeholder feedback through the email address: irp@pacificorp.com using the Stakeholder Feedback Form that the Company used last year. The Division is unable to prepare, review, and file comments in this live online portal that displays one row of content at a time (other than a very brief comment , such as this one).

### **PacifiCorp Response (6/24/22):**

The Company will include its response date to Stakeholder Feedback Forms. While the company strongly encourages the use of the stakeholder feedback form, stakeholder feedback can be provided through the online automation, an attached copy of the form, or directly in an email to the IRP@pacificorp.com mailbox.

**Data Support:** If applicable, provide any documents, hyper-links, etc. in support of comments. (i.e. gas forecast is too high - this forecast from EIA is more appropriate). If electronic attachments are provided with your comments, please list those attachment names here.

\* Required fields

---

**Recommendations:** Provide any additional recommendations if not included above - specificity is greatly appreciated. Please put the date of the Company's response on every response that it provides. It can be in the same blue font, which it appears the Company is using to insert its response to a party's comment or question.

---

Please submit your completed Stakeholder Feedback Form via email to [IRP@Pacifcorp.com](mailto:IRP@Pacifcorp.com)

Thank you for participating.
