Educational Initiatives

Transportation Electrification grants and programs can increasingly support the unique needs of Tribal Nations in Oregon.

# Estimated Transportation Electrification Portfolio Size

Programmatic Type	Estimated \$ Total Value 2023–2025	Estimated % of Portfolio	Category Type				
			Res	Com	Multi-family	Fleet	Medium-Duty and Heavy-Duty
EVSE Rebate Program	\$27-\$30 mil	19%	X	X	X	X	
Managed Charging		3%	X				
Fleet Make-Ready Program		13%				X	
Public Infrastructure, Utility Owned		6%	X	X	X		X
Outreach and Education		12%	X	X	X	X	X
Grant Programs		38%	X	X	X	X	X
Portfolio-Level Costs		8%	X	X	X	X	X
<b>Total</b>		<b>100%</b>					

\*The estimated ranges are based on varying levels of clean-fuels revenue. With market volatility, PacifiCorp has identified programs that can be ramped up and down

\*\*Estimated percentage by programmatic type includes administration and portfolio operating support costs

# Additional engagement opportunities for your consideration:

TEP Exploration

Energy Efficiency Programs

Clean Energy Plan

Distribution Systems Planning

Integrated Resource Plan

Community Based Renewable Energy Projects
