SECTION 1. INTRODUCTION

The 2023 RFP seeks cost-competitive bids for renewable energy credits (RECs) that can be used to meet its customers’ needs, including state renewable portfolio standard (RPS) requirements under the applicable laws and regulations of California. As stated in its 2021 Integrated Resource Plan (IRP) and 2022 Off-Year IRP Supplement, PacifiCorp has identified the potential opportunity to procure RECs that can be used to satisfy its state RPS obligations.

A. PURPOSE AND SCOPE

PacifiCorp is seeking long-term proposals of 10 years or longer (bids) from parties (Bidders) interested in providing firm RECs that qualify for compliance with the California RPS. The RECs must also be generated from a facility located in the WECC territory, and the facility must be registered in WREGIS and comply with WREGIS requirements. All proposals must meet the size requirement of 20,000 to 40,000 RECs per calendar year.

B. REC PRODUCT TYPES AND VINTAGES OF INTEREST:

1. REC Product A; California RPS, Portfolio Content Category 3 eligible RECs from any Vintage Period beginning July 1, 2022 or newer.

SECTION 4. MINIMUM ELIGIBILITY REQUIREMENTS FOR BIDDERS

A. DISQUALIFICATIONS

Bidders may be disqualified for failure to comply with any of the requirements of this RFP. To the extent proposals do not comply with these requirements, PacifiCorp has the option to deem the proposal ineligible and eliminated from further evaluation. Reasons for rejection of a Bidder or its proposal include:

1. Bid proposal(s) do not comply with the instructions or requirements specified in this RFP.
2. RFP Bid Submittal Form received after the RFP proposals due date.
3. Upon being selected to negotiate an Underlying Agreement, Bidder fails to provide, in timely manner, Bidder’s Credit Information specified below.
4. Bidder fails to demonstrate, to PacifiCorp’s satisfaction, that it can meet the security requirements, if any, for the Underlying Agreement and or confirmation agreement selected.
5. Any attempt to influence PacifiCorp in the evaluation of the proposals, outside the solicitation process.
6. Any failure to disclose the real parties of interest in the proposal submitted.
7. The Bidder, or an affiliate of Bidder, is in current litigation with PacifiCorp or has, in writing, threatened litigation against PacifiCorp, respecting an amount in dispute in excess of one million dollars.
8. Bidder fails to demonstrate, to PacifiCorp’s satisfaction, that it can meet the security requirements for the renewable resource proposed.

B. BIDDER'S CREDIT INFORMATION

Upon being selected to negotiate an Underlying Agreement, the Bidder must provide the following information to enable PacifiCorp to evaluate the financial viability of the Bidder and any entity providing credit assurances on behalf of the Bidder, as applicable.

1. Credit information for Bidder

- a. Exact legal name and address of Bidder.
- b. Debt Ratings from S&P and/or Moody's (please provide senior unsecured long term debt rating or corporate rating if a debt rating is unavailable). Please indicate type of rating, rating, and source.
- c. Please attach copies of audited financial statements (including balance sheet, income statement, and cash flow statement) for the three most recent fiscal years.
- d. Identify pending legal disputes (describe).
- e. Please state whether the Bidder is or has within the past five (5) years been the debtor in any bankruptcy proceeding.
- f. If the Bidder is unable to provide audited financial statements or is relying upon another entity to provide credit assurances on its behalf, the Bidder must indicate whether (i) the Bidder is unable to provide audited financial statements and, (ii) the Bidder is relying upon another entity(ies) to provide credit assurances on its behalf.
- g. The Bidder should demonstrate its ability (and/or the ability of its credit support provider to provide the required security, including its plan for doing so, including the type of security, sources of security, and a description of its credit support provider).

2. Credit information for entity(ies) providing credit assurances on behalf of Bidder (as applicable)

- a. Exact legal name and address of entity(ies) providing credit assurances on behalf of Bidder.
- b. Describe the relationship to the Bidder and describe the type of credit assurances to be provided (e.g., parental guaranty, cash deposit, or letter of credit, etc.). The Bidder must provide to PacifiCorp a letter(s) of commitment acceptable to PacifiCorp from the entity(ies) providing the credit assurances on behalf of the Bidder executed by an authorized signatory and indicating the amount and form of credit assurances it will provide. More than one commitment letter, or more than one form of commitment letter, may be necessary.

- c. Debt Ratings from S&P and/or Moody's (please provide senior unsecured long term debt rating or corporate rating if a debt rating is unavailable). Please indicate type of rating, rating, and source.
- d. Please attach copies of audited financial statements (including balance sheet, income statement, and cash flow statement) for the three most recent fiscal years.
- e. Pending legal disputes (describe).
- f. Please state whether entity(ies) providing credit assurances on behalf of the Bidder is or has within the past five (5) years been the debtor in any bankruptcy proceeding.

The Bidder may be required to post credit assurances for the applicable bid. PacifiCorp will not accept collateral thresholds, credit ratings triggers, general adequate assurances language or similar language that might require the PacifiCorp to provide performance assurances to the Bidder. PacifiCorp may require the Bidder to provide a commitment letter(s) from a proposed guarantor(s) and/or from a financial institution(s) that would be issuing a letter of credit as performance assurances on behalf of the Bidder. The amount of performance assurances to be provided will be determined based upon factors which include the following:

- a. The credit rating of the Bidder and the entity(ies) providing credit assurances on behalf of the Bidder, as applicable.
- b. Terms of the underlying contract.
- c. The volume to be delivered.

The credit rating is defined as the lower of: x) the most recently published senior, unsecured long term debt rating (or corporate rating if a debt rating is unavailable) from Standard & Poor's (S&P) and/or y) the most recently published senior, unsecured debt rating (or corporate rating if a debt rating is unavailable) from Moody's Investor Services. If option x) and y) are not available, the credit rating will be determined by PacifiCorp through an internal process review utilizing a proprietary credit scoring model developed in conjunction with a third party. All Bidders will receive a credit rating which will be used in determining the amount of any credit assurances to be posted. With few exceptions, PacifiCorp will expect Bidders with sub investment-grade credit ratings (or being of similar creditworthiness) to provide performance assurances acceptable to PacifiCorp.

A financial institution providing a letter of credit as performance assurances on behalf of the Bidder must be a major U.S. commercial bank and have at all times a credit rating of at least 'A' and 'A2' from S&P and Moody's, respectively, and have assets (net of reserves) of at least \$10,000,000,000. Should the financial institution providing credit assurances on behalf of the Bidder fail to meet these minimum requirements PacifiCorp will require credit assurances from a replacement financial institution that does meet the requirements.

SECTION 5. BID EVALUATION AND SELECTION

PacifiCorp will not ask for, or accept, updated pricing from Bidders during the evaluation period.² An RFP selection of an offer does not constitute a “winning bid proposal.” Only execution of an Underlying Agreement by both PacifiCorp and the Bidder on terms acceptable to PacifiCorp in its sole and absolute discretion will constitute a “winning bid proposal.” Any Underlying Agreement will be in the form described above in Section 3.A., as applicable. If the Bidder alters the Underlying Agreement, the bid evaluation will be affected. PacifiCorp has no legal obligation to enter into any agreement of any kind with any Bidder.

A. OVERVIEW OF THE EVALUATION PROCESS

The evaluation process will utilize a screening process to derive a potential selection of a bid or bids after determining eligibility of the bids. The screening process and evaluation methodology is at PacifiCorp’s sole discretion.

The RFP evaluation process will consider both price and non-price factors.

STEP 1 – RFP EVALUATION

1. Price Evaluation

PacifiCorp will evaluate bids based on the REC Contract Price of each bid.

2. Non-Price Evaluation

The non-price evaluation will include, but not be limited to, the following factors in the non-price evaluation:

- Firm offer to sell RECs
- REC Transfer Date(s)
- Conformance to Underlying Agreement
- WREGIS account holder status
- Financial viability of Bidder
- Reliability of REC supply and delivery
- REC eligibility under specified state(s) RPS program
- Bidder experience/references
- [Supplier Diversity factors – e.g., similar to those outlined in Section E of our 2022 Off-Year IRP Supplement]

STEP 2 – RFP SELECTIONS

² PacifiCorp may contact Bidders during the evaluation period to clarify information submitted with proposals, as required.

Any RFP selection(s) will be established upon evaluation of price and non-price results. In making any RFP offer selections, PacifiCorp will take into consideration certain other factors that are not expressly or adequately factored into the initial evaluation process, but that may be required by applicable law or Commission order. During the RFP evaluation process, PacifiCorp will evaluate how bids and/or combinations of bids affect PacifiCorp's state RPS compliance position and compliance cost, which may include alternative REC compliance products being solicited through a separate RFP process and projected long-term compliance alternatives.

1. Discussions and Right to Reject Proposals

PacifiCorp's Rights and Options

This RFP contains only an invitation to make Proposals to PacifiCorp. No Proposal is itself a binding contract unless the parties execute definitive and complete documentation providing otherwise.

9. Reject any or all proposals in whole or in part.
10. Vary any timetable.

12. Any matter impairing the Bidder, Specified Resources or the generation of power or Non-Power Attributes there from or the delivery of RECs.

SECTION 6. CONFIDENTIALITY, COMPANY RESERVATION OF RIGHTS AND DISCLAIMERS

A. CONFIDENTIALITY

PacifiCorp will attempt to maintain the confidentiality of all bids submitted, to the extent consistent with law or regulatory order, as long as such confidentiality does not adversely impact a regulatory proceeding. It is the Bidder's responsibility to clearly indicate in its proposal what information it deems to be confidential. Bidders may not mark an entire bid proposal as confidential, but must mark specific information on individual pages to be confidential in order to receive confidential treatment for that information.

All information supplied to PacifiCorp or generated internally by PacifiCorp shall remain the property of PacifiCorp. The Bidder shall maintain the confidentiality of such information and such information shall not be available to any entity before, during or after this RFP process unless required by law or regulatory order. The Bidder expressly acknowledges that PacifiCorp may retain information submitted by the Bidder in connection with this RFP.

Only those PacifiCorp employees who are directly involved in this RFP process or with the need to know for business reasons will be afforded the opportunity to view submitted bids or Bidder information.

Bidders should be aware that information they supply may be requested and supplied during regulatory proceedings, subject to appropriate confidentiality provisions applicable to that particular proceeding. This means that parties to regulatory proceedings may request and view confidential information. If such a request occurs, PacifiCorp will attempt to prevent confidential Bidder information from being supplied to intervening parties who are Bidders or who may be providing services to a Bidder, but PacifiCorp cannot promise success in that endeavor and accordingly cannot be held liable for any information that it is ordered to be released or that is inadvertently released.

Lastly, PacifiCorp intends to utilize its internal, proprietary, models and assumptions during its evaluation process. The resulting evaluations will not be shared with entities external to PacifiCorp or its consultants, including with Bidders, unless required by law or regulatory order.

B. COMPANY RESERVATION OF RIGHTS AND DISCLAIMERS:

PacifiCorp reserves the right, without qualification and in its sole discretion, to reject any or all bids, and to terminate this RFP in whole or in part at any time. Without limiting the foregoing, PacifiCorp reserves the right to reject as non-responsive any or all bid proposals received for failure to meet any requirement of this RFP outlined in Section 2 and Section 3. PacifiCorp further reserves the right without qualification and in its sole discretion to decline to enter into any agreement with any Bidder for any reason, including, but not limited to, change in regulations or regulatory requirements that impact PacifiCorp and/or any collusive bidding or other anticompetitive behavior or conduct of Bidders.

Bidders who submit bid proposals do so without recourse against PacifiCorp, its parent company, its affiliates and its subsidiaries, or against any director, officer, employee, agent or representative of any of them, for any modification or withdrawal of this RFP, rejection of any bid proposal, failure to enter into an agreement, or for any other reason relating to or arising out of this RFP.
