Notice Date: December 12, 2022

Attention: 2022AS RFP Distribution List

**Q&A Log:**

PacifiCorp's RFP team has updated the Q&A response log on the website. Please remember to copy all three IEs on any questions submitted to the RFP inbox.

**RFP Updates:**

1. Previously, PacifiCorp identified a cell formatting issue in Appendix B-1.2 – Bid Fee Calculator worksheet and updated Column O and P. The same excel file is used for Appendix B-1.1 – NOI Excel Spreadsheet, and so PacifiCorp has posted the same updated version of the excel file to the 2022AS RFP website under the Appendix B-1.1 heading.
2. PacifiCorp identified a type-o in Appendix G-1 – Confidentiality Agreement. PacifiCorp has posted a corrected form, replacing a “2020AS RFP” reference with “2022AS RFP.”

Please be sure to check the website for the main document and appendix updates. Any questions or comments related to this notice should be submitted electronically via email to all the following email addresses:
