

**PacifiCorp 2022 All-Source Request for Proposals (2022AS RFP)****NOTICE TO INTERESTED PARTIES**

Notice Date: March 8, 2023

Attention: 2022AS RFP Distribution List

**Appendix C-2 Bid Summary and Pricing Input Sheet:**

The original Appendix C-2 excel file was saved as a \*.xlsb file and included a macro. This file format has created issues in sending and receiving emails. In order to facilitate the emailing and receipt of Appendix C-2 excel files, PacifiCorp has removed the macro and replaced the \*.xlsb file with a .xlsx version of the same file.

Please note that if a bidder does not change the file format to .xlsx and emails the original \*.xlsb format, there is a high risk that the bidder's email will get stuck in a firewall and not be received by either the RFP evaluation team or the independent evaluators.

Bidder may either download the new \*.xlsx file from the 2022AS RFP website, or simply use "save as" to save their completed Appendix C-2s as .xlsx files. The updated file can be found here: <https://www.pacificorp.com/suppliers/rfps/2022-all-source-rfp/RFP-documents-appendices.html>

**Q&A Log:**

PacifiCorp's RFP team has updated the Q&A response log on the website.
