

Summer 2023 RECs Reverse RFP Questions & Answers:

Q: Would PAC be able to bundle the CEC certified RECs with energy for them to be considered PCC2s?

A: Yes PAC sells PCC2 product, RECs that are bundled with PAC system energy.

Q: Is there a max volume for firm delivery of the PCC2 bundled REC product?

A: PacifiCorp is not setting a maximum number of RECs offered at this time and may in its discretion limit the maximum number of RECs for which it accepts bids.

Q: Does PAC have RECs that are generated from a WA EIA Act compliant asset?

A: Yes, PAC has RECs to offer for sale that are from assets considered to be WA Compliant.

Q: Would you have Hydro RECs to sell?

A: Yes, PAC has hydro RECs available for sale.
