

RECs RFP June 2020 – Bidder Questions & PacifiCorp Answers

Updated June 23, 2020

1. What is PacifiCorp looking for in terms of quantity (of wind and solar)?

The minimum amount of RECs bid by a prospective seller should not be less than 5,000 RECs. PacifiCorp is looking for a mix of both wind and solar RECs but does not currently have a defined percentage of each. While there is no current maximum number of RECs that PacifiCorp is looking for – PacifiCorp will be looking to purchase more than 100,000 RECs.

2. Does PacifiCorp have an indicative price?

PacifiCorp does not have an indicative price.
