REQUEST

Q01. Regarding Tracking HFTD vs. Non-HFTD WMP Expenditures:

The Data Guidelines require that PacifiCorp submit “actual and projected costs of initiatives,” with those costs “broken out by total territory and HFTD.”¹ In its WMP data submission, PacifiCorp could not provide “actual ... costs of initiatives” for 2025, or estimates based on its historical expenditure data from the HFTD.

- a. Provide the date (month and year) when PacifiCorp will be compliant with the Data Guidelines requirement to provide actual and projected expenditures broken out by total territory and HFTD.
- b. If PacifiCorp does not know when it will be compliant with the Data Guidelines requirement to provide actual and projected expenditures broken out by total territory and HFTD, when does it expect to be?
