INSTRUCTIONS

- a. Provide all information in your possession, custody, or control, or the possession, custody, and/or control of your affiliates or agents, that is responsive to these data requests by the due date identified above (*7 calendar days, excluding the Veteran’s Day holiday*).
- b. Responses and documents may be produced and served electronically, but they shall be fully machine-readable and searchable.
 - i. Responses must include documentation that supports the completion of work described in PacifiCorp’s 2023-2025 WMP. Statements without supporting documentation will not be accepted.
- c. Per California Code of Regulations, title 14, section 29200, every confidential file provided must be accompanied by a redacted and unredacted version of the same file.
- d. If you have any questions about the meaning or scope of the data requests herein, direct such questions to the Energy Safety staff identified as the “Originator” of this request at your earliest opportunity.
 - i. Lack of clarity on meaning or scope of requests, without prior request for clarification from the “Originator,” will not be a permissible reason for incomplete responses and will be regarded as non-compliance with the request.
- e. Identify the personnel (employees, consultants, agents, etc.) who provided information responsive to each of the data requests below. As used in this context herein, “identify” means to provide the full name, business address, and title of each employee, consultant, or agent who provided such information.
- f. If you do not know the exact answer to any of the requests below, please so indicate and provide your best estimate.
- g. Provide data in its original format (i.e., PDF, Excel, GIS shapefile, etc.), unless otherwise specified in the request.
- h. Send your response to Marisa Salazar (marisa.salazar@energysafety.ca.gov), and include a copy to:
