REQUEST

Initiative Attainment Delays Due to Permitting and/or Coordination with Authorities Having Jurisdiction –Electrical corporations have reported to Energy Safety, in meetings and/or in the Wildfire Mitigation Plans (WMPs), that initiative attainment has been delayed, rescoped, or canceled due to difficulties coordinating with various authorities having jurisdiction (AHJs) and their permitting requirements. Pursuant to this statement Energy Safety requests the following:

- 1) Please provide a list of WMP initiative activity projects – with associated identification numbers, scopes of work, and timeframes – that:
 - A) Did not meet and WMP annual target or objective due to permitting constraints or other similar coordination difficulties with AHJs,
 - B) Required rescheduling to another WMP initiative activity project and/or WMP year due to permitting constraints or other similar coordination difficulties with AHJs,
 - C) Required rescoping to adhere to permitting requirements or other similar coordination difficulties with AHJs, or
 - D) Required cancellation due to permitting requirements or other similar coordination difficulties with AHJs.
- 2) For each WMP initiative activity project listed in response to Question 1, please specify the AHJ(s) involved, notate which scenario(s) of A-D above applied, and the element of the project (i.e. project type, location, requirements, etc.) that was modified.
