INSTRUCTIONS

- a. Please provide all information in your possession, custody, or control, or the possession, custody, and/or control of your affiliates or agents, that is responsive to these data requests by the due date identified above.
- b. Responses and documents may be produced and served electronically, but they shall be fully machine-readable and searchable.
- c. If you have any questions about the meaning or scope of the data requests herein, direct such questions to the Energy Safety staff identified as the Originator of this request at your earliest opportunity.
 - i. Please note that a lack of clarity on meaning or scope of requests, without prior request for clarification from the Originator, will not be a permissible reason for incomplete responses and will be regarded as non-compliance with the request.
- d. Please identify the personnel (employees, consultants, agents, etc.) who provided information responsive to each of the data requests below. As used in this context, “identify” means to provide the full name, business address, and title of each employee, consultant, or agent who provided such information.
- e. Please provide data in their original format (i.e., PDF, Excel, GIS shapefile, etc.), unless otherwise specified in the request. When doing so, please ensure that the data are fully machine-readable and searchable.
- f. Please send your response to Felicity Wood (Felicity.Wood@energysafety.ca.gov), and include a copy to:
 - i. Compliance@energysafety.ca.gov
 - ii. Jeffrey.Lidicker@energysafety.ca.gov

REQUEST

Q01. Contract with independent evaluator:

Section 7.0 of the Compliance Guidelines, subsection (1) states, “To address any potential conflicts of interest, within five (5) business days following execution of a contract with an independent evaluator, each electrical corporation must submit via email to Energy Safety’s Compliance inbox (compliance@energysafety.ca.gov) 18 Pub. Util. Code § 8386.3(c)(2). Compliance Guidelines 11 the following information for all contracts with the contracted independent evaluator within the last three (3) years: date of contract execution, duration of the contract, scope of work, compensation rates, and total contract value.”

Please provide Energy Safety with a complete copy of the IE-EC contract for the compliance year 2024 once executed.

Q02. Complete listing of all commitments:

Section 7.0 of the Compliance Guidelines, subsection (2) states, “Within three (3) business days following the execution of a contract with an approved independent evaluator, the electrical corporation must provide its contracted independent evaluator with a complete listing of all commitments within its most recently approved WMP.”

Please provide a status update of this task.

END OF REQUEST
