

CalAdvocates Data Request 6.3

The following questions relate to your 2023-2025 WMP submission.

If a full response to a given question will be included in your WMP submission, your response to that question of this data request may consist of a citation to the specific page(s) or table(s) of the WMP where the information may be found, a written response to the question, or both.

Vegetation Management (VM)

Please provide a list of any incidents in 2022 where the actions of a VM contractor posed a safety risk to workers and/or the public. "Safety risk" here is defined as any occurrence on a worksite where the contractor's actions created a safety hazard for either workers or the general public.

For each instance, please provide:

- (a) The date you were informed of the safety issue
- (b) The date that the original work that created the safety issue was performed
- (c) Whether the safety issue concerned a transmission or distribution circuit
- (d) The vegetation management initiative involved in the original work
- (e) A brief description of the safety issue involved.

Response to CalAdvocates Data Request 6.3

In PacifiCorp's service territory in California, there were no safety incidents reported by PacifiCorp's vegetation management contractors in 2022 where a contractor's actions created a safety hazard for either workers or the general public.
